

11km Family Ride in aid of

Saturday May 16th 2015

Route with distances from Whitney Village Hall:

From the car park at Whitney Village Hall, proceed towards Woodseaves for 2 km until Red Gates Kennels/cattery on RH.

Bridleway sign is immediately next to the property.

Straight on for approx. 1 km then through LH gate onto grass bridleway for a further km or so. Close the 4 gates if no riders are immediately behind.

The final stretch is a metalled surface rather bumpy lane into Eardisley.

Pass the church and turn left with great care onto A4111 through the village for approx $\frac{3}{4}$ km then turn left at The Train Inn back towards Whitney.

At the brow of the hill the Great Oak is worth a look and maybe a photograph. Proceed through Woodseaves and past Red Gates for an easy downhill descent (with caution) to the Village Hall.

Cycling is not recommended for the final $\frac{3}{4}$ km along the A 438 to Whitney Bridge where refreshments will await you.
